FLIGHT INSTRUCTOR POSITIONS AVAILABLE

As the worldwide first Diamond Brilliance Flight Center located in Naples, FL we currently operate a fleet of 14 factory new Diamond aircraft and we are constantly growing.

Our CFI's enjoy flying everything from the DA20 Eclipse, through the DA40XL Diamond Star equipped with Garmin 1000. Our Level 5 DA42 Twin Star simulator with a full sized cockpit and Garmin 1000 avionics supports the multi-engine training in one of our 3 DA42 Twin Star aircraft. As multi-engine training has become the biggest part of our operation, CFI's can log extensive multi-engine time from the beginning.

- We are a Part 61 flight school, as well as a fully certified Part 141 Pilot training center.
- We are catering to an international customer base (app. 50% European and 50% US students).
- For more details about our flight school, check our website at www.eaa-fly.com

**We are now hiring CFI's to teach everything from Private to Multi-Commercial.
We are considering new CFI's as well as experienced Instructor's.**

If you are tired of flying old equipment or working in a "pilot mill" and like to work in a personal atmosphere together with a highly motivated team, Europe-American is the right place to be:

- Fly the most modern equipment, gain multi-engine and glass-cockpit experience quick.
- Opportunity to teach our CLEARED DIRECT™ Career Pilot Program which consists of 100% EFIS / Glass cockpit time and includes 100h DA42 Multi-engine time.
- Pay rates are above average (we start at \$22.00 p.h.) for Flight and Briefing time.
- You can expect to invoice more than 120h per month.
- Financial support for relocation available.
- Financial support for accommodation available.
- Partial reimbursement available for MEI training.

**If you are interested, please fax your resume to 239 430 2217
or email Mike@eaa-fly.com**

Come fly the future. NOW

About Europe-American Aviation:

Established in 2000 Europe-American Aviation is the worldwide first Diamond Brilliance Flight Center in the USA. Offering FAA certified training with a complete line of Diamond's newest and most advanced aircraft starting with the DA20 Eclipse, DA40 Diamond Star, DA42 Twin Star, and a Level 5 Flight Training Device (Simulator). You can either obtain your license or just rent one of these state of the art airplanes. Responsibility, professionalism, and personalized training always come first with Europe-American Aviation.
